

PEST MANAGEMENT (CSP Enhancements)

October 2005

Colorado Enhancement Activity Job Sheet P-1

Name: _____

Use Organically Certified Materials and Methods

Payment = \$7.00 / Acre / Year where organically certified materials and methods are used in pest management activities. Payment applies only to those acres meeting organic farming requirements.

Enhancements activities refer to actions that provide resource benefits beyond the level prescribed by the Natural Resources Conservation Service (NRCS) Conservation Practice Standards. Once implemented, enhancement activities should result in an observable or measurable improvement to the condition of one or more of the soil, water, air, plant or animal resources, or provide for more efficient resource utilization and/or energy conservation.

All management units that meet USDA organic farming requirements and/or applied organically certified materials and methods for pest management.

Documentation Required: USDA Organic Farm Identification or certification of organic materials and methods. An example is provided to assist you.
